1. 4:00 P.M. **Public Works Maintenance Interviews**
The City Council will be conducting interviews on the top 5 candidates. They will then determine whether or not they would like to bring any candidates for consideration at the City Council Meeting.
2. 5:20 P.M. **28th Avenue Proposed Roundabout**
Jodi Teich, the Stearns County Engineer, will be present to discuss the County's proposed design on the 28th Avenue roundabout. She will also discuss the next steps in the process for this project.
3. 6:00 P.M. **Graniteview Road Project**
City staff would like to discuss the Graniteview Road project with the City Council and discuss the factors that are delaying this project from moving forward at this time.
4. 6:15 P.M. **Public Input**
The City Council provides members of the public an opportunity to address the City Council with items they believe are relevant to the City of Waite Park. Each member of the public will be allowed up to 2 minutes to speak. City Council will not engage during this time and no action should be expected at this time. The City Council can determine if further follow up, discussion, or action is needed on any item brought up by members of the public. During the regular scheduled meeting that will follow the public input, the Mayor will summarize the items discussed during the public input and ask the City Council whether they desire to have any follow up on items discussed during the public input. The City Council could choose to place the item on a future work session or city council agenda, or they could direct staff to research or follow up on any item discussed.
