

Issue: Approve Flaherty & Hood Legislative Proposal to pursue bonding funds

Staff Report:

The City Council has expressed an interest in pursuing some additional state funds to assist with Phase III of The Ledge Amphitheater. In the past, the City has worked with Flaherty and Hood on previous bonding requests related to this project. Included is a copy of their proposal for your consideration. If the proposal is approved, we can work with Flaherty and Hood in defining what would be included in this next phase of the project. The total cost is \$15,000. Staff recommends approval of this proposal provided the City Council wants to move forward pursuing state funds for this phase of the project.
