

Staff Report: Approve Pay Equity Report as presented

Every three years, we are required to submit a pay equity report to the State of Minnesota. Pay equity ensures that all genders are paid equitably within a public organization. As part of this compliance, the City Council is required to approve the report. The City is in compliance with the pay equity and just needs formal approval from the City Council on this item to make this official. Enclosed is a copy of the report for your review.
